Product Overview

High-Performance Cooling Solution

This replacement radiator is specifically engineered for the 1993 Citroen Xantia 1.6L, providing a direct-fit solution for efficient engine cooling. It is designed to prevent overheating and maintain optimal operating temperatures by ensuring superior heat dissipation. Built with durable materials to resist corrosion, this unit offers a reliable, long-lasting alternative to maintain your vehicle's engine health.

Compatibility & Specifications

Compatible Vehicle	Citroen Xantia 1.6L
Model Year	1993
Transmission Type	Manual Transmission (MT)
OEM Reference Numbers	133019, 96138923, 1331HY, 1330.19

Key Features

Performance Highlights

1 Direct
Fitment Type

100 % OEM
Testing Standard

Construction Benefits

- Durable material composition
- Corrosion-resistant design
- Superior heat dissipation efficiency
- Engineered for consistent thermal management
