

City Bicycle with Mudguards and Rear Rack

This lady bike features a sturdy frame, comfortable seat, and reliable components. It is designed for recreational riding and commuting. The bike is equipped with a single-speed drivetrain for simplicity and ease of use.

Overview

Designed for Urban Comfort

This city bicycle is designed for recreational riding and daily commuting, offering a blend of simplicity and comfort. Featuring a sturdy steel frame and an upright riding geometry, it ensures a relaxed and ergonomic experience for the rider. The bike comes fully equipped with essential accessories, including mudguards for weather protection and a rear rack for convenient storage. Its single-speed drivetrain minimizes maintenance, making it an ideal choice for hassle-free urban travel.
