

CL32mm SMT Component Feeder

This SMT component feeder is designed for pick-and-place machines. It facilitates the automated feeding of electronic components from a reel for assembly onto PCBs.

Product Overview

Precision SMT Component Feeder

This CL32mm SMT component feeder is designed to provide reliable and consistent material delivery for automated pick-and-place assembly machines. Engineered for high-speed operation, it ensures accurate component positioning from reels to the assembly surface. This unit is available in original new or used conditions to suit various production requirements and budget considerations.

Technical Specifications

Feeder Width	32 mm
Part Number	KW1-M5500-000

Product Quality

Available Conditions	Original New, Original Used, Copy New
Quality Assurance	Yes

Compatibility Reference

Other Compatible Feeder Models

Feeder Type	Part Number
CL8X2 (0402)	KW1-M1300-00X
CL8X4	KW1-M1100-000
CL8X3 (0201)	KW1-M1500-030
CL12mm	KW1-M2200-300
CL16mm	KW1-M3200-10X
CL24mm	KW1-M4500-015
CL44mm	KW1-M6500-000
CL56mm	KW1-M7500-000
CL72mm	KW1-M8500-000
CL88mm	KW1-M9500-000
