

Classic Bicycle Mudguard Set

High-quality bicycle mudguard set designed for classic or vintage bicycles. The set includes front and rear mudguards with mounting hardware for easy installation and provides excellent protection from water and debris.

Product Overview

Classic Bicycle Mudguard Set

This durable mudguard set is designed specifically for 26-inch bicycles, offering a blend of vintage aesthetic appeal and practical performance. Each set includes both front and rear mudguards, along with the necessary mounting hardware for straightforward installation. Engineered to effectively deflect water and road debris, these mudguards ensure a cleaner, more comfortable riding experience for classic bike enthusiasts.
