

Classic Style Urban Motorcycle

This motorcycle features a classic design with chrome accents and a rear luggage rack. Designed for urban commuting and leisure rides, this motorcycle combines style and practicality.

Overview

Classic Urban Mobility

The GD50 motorcycle embodies a timeless retro aesthetic, blending classic design elements with practical urban utility. Featuring distinctive chrome accents, spoked wheels, and elegant gold striping on the fuel tank, this model is built for both style and daily commuting. It includes functional additions like a rear luggage rack and a comfortable padded seat, making it a reliable choice for leisure rides and city travel.
