

Classic Urban Motorcycle

This classic-style motorcycle is designed for urban commuting and recreational riding. It features a single-cylinder engine, spoked wheels, and a traditional exhaust system.

Overview

Classic Urban Commuter

This classic-style motorcycle is engineered for reliable urban commuting and recreational riding. Featuring a timeless aesthetic with chrome accents and a traditional single-cylinder engine, it offers a balanced riding position for daily use. The inclusion of a rear luggage rack and durable spoked wheels makes it a practical choice for navigating city streets.
