

Clear BOPP Packaging Tape

This clear biaxially oriented polypropylene (BOPP) tape is suitable for packaging, sealing, and various general-purpose applications. It features a strong adhesive backing for secure bonding to a variety of surfaces.

Product Overview

Clear BOPP Packaging Tape

This clear Biaxially Oriented Polypropylene (BOPP) tape is engineered for reliable packaging, sealing, and general-purpose applications. Featuring a strong adhesive backing, it ensures secure bonding to a variety of surfaces while maintaining high transparency for clear visibility of labels. Designed for shipping, moving, and storage, this tape offers excellent tensile strength and reliable resistance to tearing.

Technical Specifications

Color

Clear

Product Code

ES 00970

Material

BOPP (Biaxially Oriented Polypropylene)

Key Features

Key Attributes

Strong Adhesive, High Tensile Strength, Tear Resistant, Transparent

Applications

Common Uses

- Shipping and Logistics
- Moving Operations
- Storage Solutions
- General-purpose Packaging
