

Clear Ribbed Glass Bottle

This clear glass bottle features a round, ribbed body and a narrow neck. It is ideal for storing liquids or as a display piece.

Product Overview

Clear Ribbed Glass Bottle

This clear ribbed glass bottle features a distinctive round, ribbed body design with a narrow neck, offering both aesthetic appeal and functional utility. Crafted with color-tempered glass, it ensures durability and a high-quality finish suitable for professional display or storage applications. The design includes smooth, circular indentations on the front and back, making it a versatile choice for decorative purposes or liquid containment.
