

Clear Wraparound Safety Goggles with Adjustable Strap

These safety goggles feature a clear, wraparound design. An adjustable elastic strap ensures a comfortable and secure fit.

Product Overview

Clear Wraparound Safety Goggles

These professional-grade safety goggles are designed to provide comprehensive eye protection in diverse work environments. Featuring high-durability polycarbonate lenses, they effectively shield the eyes from impact, dust, debris, and liquid splashes. The ergonomic wraparound design ensures a wide field of view while the included adjustable elastic strap provides a secure and comfortable fit for various head sizes.
