

Clip-On Wired Earphones with 40mm Driver

These clip-on earphones are designed for clear audio output and comfortable wear. The earphones feature color-coded audio jacks for easy connection to devices.

Product Overview

Professional Audio Performance

These clip-on wired earphones are engineered for reliable audio performance and comfort. Featuring a 40mm driver and a secure ear-clip design, they provide stable placement and clear sound output during extended use. The lightweight construction and versatile 3.5mm connectivity make them an ideal choice for professional communication and media consumption.
