

Clutch Disc 180 x 125 mm

This clutch disc measures 180 x 125 mm. It is designed for Liuzhou Motor, Dongfeng, Changhe, and Chana vehicle applications.

Product Overview

High-Performance Clutch Disc

This high-performance clutch disc is engineered for enhanced torque capacity and superior durability in demanding automotive applications. It features a precision-sprung hub design that ensures effective vibration dampening and smooth engagement during operation. Constructed with premium-grade friction materials, this component offers optimal heat resistance and reliable, long-lasting performance for vehicles requiring increased power handling.

Technical Specifications

Part Number	ST90K
Dimensions	180 x 125 mm

Compatibility

Compatible Vehicle Makes	Liuzhou Motor, Dongfeng, Changhe, Chana
