

Coffee Merchandising Freezer with Glass Door

This compact freezer is designed for displaying coffee and related products. It features a glass door for clear visibility and adjustable shelves for flexible storage.

Product Overview

Compact Coffee Merchandising Solution

This compact coffee merchandising freezer is designed specifically for cafes, restaurants, and retail environments where space is at a premium. Featuring a glass door for clear product visibility and a thematic exterior, it effectively showcases coffee products while maintaining optimal storage conditions. With a robust compressor cooling system and adjustable temperature settings, this unit ensures your inventory remains at the perfect temperature.
