

Coil Framing Nailer

This high-performance air nailer is designed for a variety of fastening tasks. It features adjustable depth control and is compatible with standard coil nails.

Product Overview

High-Performance Coil Framing Nailer

This professional-grade air nailer is engineered for efficiency and reliability in demanding construction and woodworking environments. It features a robust, durable construction paired with an ergonomic design to ensure operator comfort during extended use. With adjustable depth control and compatibility with standard 15-degree coil nails, it delivers precise fastening performance for a variety of framing applications.

Technical Specifications

Pressure Range

70 PSI

Min Pressure

120 PSI

Max Pressure

Model Identifier	CN70
Fastener Compatibility	15 Degree Coil Nails
Air Inlet Size	1/4" NPT

Safety & Compliance

Operational Warnings

- Read and understand manual before using
- Keep away from children
- Use only recommended pressure

Required Safety Equipment	Eye Protection, Face Protection
