

Collection of Vintage Televisions and Children's Bicycles

This collection includes vintage televisions with floral and abstract screen designs. It also features children's bicycles in yellow, red, purple, and blue, complete with training wheels and baskets.

Product Overview

Vintage Collection Overview

This curated collection features a unique assortment of vintage televisions and children's bicycles, perfect for decorative displays, retro-themed projects, or nostalgic collections. The televisions showcase classic aesthetics with screens displaying artistic floral and abstract patterns. Complementing the electronics, the children's bicycles are available in a vibrant array of colors, complete with functional training wheels and storage baskets.
