

Comfort Grip Steering Wheel Cover

These steering wheel covers provide a comfortable grip and a stylish look. They are made from durable materials for long-lasting performance and are easy to install.

Product Overview

Premium Comfort Steering Wheel Upgrade

This universal 15-inch steering wheel cover is engineered from a blend of breathable microfiber leather and viscose to ensure comfort across all seasons. Designed to provide an enhanced, sweat-absorbent grip, it effectively protects existing steering wheels from wear and tear while adding a touch of luxury to the vehicle interior. With its flexible, high-ductility material, the cover allows for simple, tool-free installation by any user.
