

Commercial Beverage Display Freezer

This beverage display freezer is designed for commercial environments. It features a transparent glass door for clear visibility, adjustable shelves, and interior illumination.

Product Overview

Professional Beverage Display

This compact commercial beverage display freezer is designed to optimize product visibility and maintain consistent cooling for retail environments. Featuring a compressor-based cooling system, it provides precise temperature control between 0-10°C to ensure beverages are served at the perfect temperature. Its efficient design and illuminated interior make it an ideal solution for convenience stores, cafes, and restaurants looking to maximize sales through effective product presentation.

Performance

Cooling Metrics

110 W

Input Power

1.3 kWh/24h

Power Consumption

Temperature Range	0-10°C
Cooling Method	Compressor
Climate Class	N

Technical Specifications

Refrigerant	R134a / 68g
Voltage Compatibility	AC110V/60Hz, 200-240V/50Hz

Dimensions & Weight

Physical Dimensions

Dimension Type	Value (mm)
Product Size (WxDxH)	505 x 540 x 1045
Inner Size (WxDxH)	420 x 400 x 765

Weight

- Net Weight: 36 kg
- Gross Weight: 39 kg
