

Commercial Beverage Display Freezer

This compact beverage display freezer is designed for commercial use. It features a transparent glass door, internal shelving, and illuminated branding on the exterior.

Overview

Professional Beverage Merchandiser

This compact commercial beverage display freezer is designed to maximize product visibility and sales in retail environments, convenience stores, and cafes. Featuring a transparent glass door and internal shelving, it provides an organized and attractive way to showcase chilled drinks. The unit utilizes a high-efficiency compressor cooling system with adjustable temperature controls, ensuring beverages remain at the optimal temperature between 0 and 10°C.
