

Commercial Beverage Display Refrigerator

This commercial beverage display refrigerator features a glass door for showcasing drinks. It is ideal for retail environments, with adjustable shelves, interior lighting, and temperature control.

Product Overview

Professional Beverage Display

This commercial beverage display refrigerator is designed for efficient cooling and high-visibility product showcasing in retail environments. Featuring compressor-based cooling and a manually adjustable temperature range of 0-10°C, it ensures your beverages are kept at the perfect serving temperature. Its compact design and reliable performance make it an ideal solution for convenience stores, cafes, and restaurants.
