Commercial Grade Countertop Blender

This commercial blender features a powerful 1500W/2200W motor and a durable 2.0L plastic jar. It is designed for blending, mixing, smoothies, ice crushing, and pureeing, and is equipped with overheat and safety protection.

Overview

Professional Performance

This high-performance commercial-grade countertop blender is engineered for versatility and durability in professional environments. Featuring a powerful motor capable of reaching up to 2200W, it efficiently handles blending, mixing, smoothie preparation, ice crushing, and pureeing. Designed with safety in mind, it includes integrated overheat and safety protection mechanisms to ensure reliability during heavy use.
