

Commercial Ice Cream Display Case

This refrigerated display case is designed for showcasing and storing ice cream. It features a curved glass top for optimal visibility and maintains consistent temperatures.

Overview

Professional Ice Cream Display Solution

This commercial-grade refrigerated display case is engineered for optimal product visibility and temperature control, making it an essential addition to ice cream parlors, cafes, and restaurants. Featuring a sleek curved glass top and a durable white exterior, it ensures your frozen desserts are presented attractively while maintaining consistent storage temperatures. The unit is designed for mobility and ease of use, incorporating a wheeled base and stainless steel storage pans for efficient service.
