

Commercial Ice Cream Display Freezer

This commercial ice cream display freezer is designed to showcase and preserve frozen desserts. It features a transparent display door, interior lighting, adjustable shelves, and temperature control for optimal storage conditions.

Product Overview

Professional Ice Cream Display Solution

This commercial ice cream display freezer is designed to showcase frozen desserts with optimal preservation. Featuring a transparent heated glass door and adjustable shelving, it provides high visibility for retail environments like convenience stores and ice cream parlors. Built with robust materials including a powder-coated metal exterior and copper tube evaporator, it ensures reliable performance and temperature stability.

Technical Specifications

Voltage/Frequency	AC220V 50Hz / AC110V 60Hz
