Product Overview

Professional Immersion Blender

This versatile commercial immersion stick blender is designed for efficiency and precision in demanding kitchen environments. Featuring a robust 5420 CCA copper motor and durable 304 stainless steel blades, it handles pureeing, mixing, and chopping tasks with ease. Its ergonomic handheld design ensures comfortable operation, while the detachable shaft facilitates quick cleaning and convenient storage.

Technical Specifications

Power Output

300 W
Max Power

Model Number	ECO-NF8001A
Electrical Requirements	110-240V, 50/60Hz, Type-A/C Plug
Motor Type	5420 CCA Copper

Build & Design

Construction Materials	ABS Plastic, 304 Stainless Steel
Unit Dimensions	65 x 650 x 345 mm
Net Weight	0.5 kg

Logistics

Shipping Configuration

Metric	Value
Units per Carton	24 pcs
