

Compact Ceiling Fan with Integrated LED Light

This compact ceiling fan is designed for smaller rooms. It features an integrated LED light and pull chains for easy control of the light and fan speed settings.

Product Overview

Compact and Versatile Cooling Solution

This 30-inch compact decorative ceiling fan is designed to provide efficient air circulation and integrated lighting for smaller spaces like bedrooms, kitchens, or offices. Featuring a sleek design with six blades and pull-chain operation, it offers a functional yet stylish addition to any interior. The model is highly customizable, allowing buyers to select specific body colors and leaf styles to match their project requirements.
