

Compact Clothes Dryer

This compact clothes dryer is designed for efficient and gentle drying of garments. It features a cabinet-style enclosure with a heating unit and timer control.

Overview

Efficient Drying Solution

This compact clothes dryer provides a reliable and space-saving solution for drying garments efficiently. Utilizing advanced PTC ceramic heating technology, it ensures uniform heat distribution while maintaining a constant temperature of 68 to protect fabrics. Designed for convenience, it features quiet operation and a built-in air filter, making it an ideal choice for small living spaces.
