Product Overview

Compact Digital Dehumidifier

This compact digital dehumidifier is designed to efficiently remove excess moisture from indoor environments, effectively preventing mold, mildew, and musty odors. It features an intuitive digital display for real-time monitoring of temperature and humidity levels, ensuring optimal air quality. With its sleek, modern design and quiet operation, it fits seamlessly into any room while maintaining a comfortable atmosphere.

Technical Specifications

Power Consumption	20 W
Daily Capacity	300 mL/day
Water Tank Capacity	700 ML
Noise Level	38 dB

Operating Environment

Temperature Range	5 ~ 35 °C
-------------------	-----------

Key Features

Core Functionalities	Digital Display, Compact Design, Moisture Control, Quiet Operation
