

# Compact Electric Desk Fan with Oscillation

This compact electric desk fan provides personal cooling. It features multiple speed settings and an oscillating function for widespread air circulation.

## Product Overview

### Compact Personal Cooling Solution

The ZF-0901 is a compact and efficient electric desk fan designed specifically for personal cooling environments. Featuring a robust three-blade propeller housed within a protective wire mesh grill, it balances performance with safety. Its oscillating function ensures widespread air circulation, while the lightweight, durable construction allows for easy portability across any flat surface.

## Technical Specifications

### Speed Settings

- 0
- 1
