

Compact Electric Fruit and Vegetable Juicer

This compact electric juicer is designed for home use. It efficiently extracts juice from fruits and vegetables, featuring a transparent dome, integrated juice cup, and pulp container.

Product Overview

Compact Electric Juicer

This compact electric juicer is designed for efficient extraction of juice from a wide variety of fruits and vegetables. Featuring a user-friendly design with a transparent dome, integrated juice cup, and a dedicated pulp container, it simplifies the juicing process. Its space-saving footprint makes it an ideal solution for home kitchens where efficiency and convenience are prioritized.
