Overview

Compact High-Pressure Cleaning Solution

This compact and portable electric high-pressure washer is engineered for versatile cleaning tasks, making it an ideal choice for both automotive maintenance and general household upkeep. Equipped with a 1500W motor, it balances effective cleaning power with energy efficiency. Its lightweight, portable design ensures easy storage and maneuverability, providing a reliable solution for various residential cleaning needs.

Performance Metrics

Maximum Pressure

1160 psi

Max Pressure

6.5 MPa

Rated Pressure

Flow Rate

1.85 GPM

Operating Flow

13 L/min

Pump Output (2850 RPM)

Technical Specifications

Pump Speed Compatibility

- 13.0 L/min at 2850 RPM
- 15.0 L/min at 3450 RPM

Pump Specifications

Parameter	Value
Model	3WZ 1608
Max Pressure	150 bar

Motor Power	1500 W
