

Compact Espresso Machine with Steam Wand

This compact espresso machine features a stainless steel front panel and is designed for home use. It includes a portafilter, steam wand, removable drip tray, and multiple buttons for easy operation.

Product Overview

Compact Espresso Experience

This compact espresso machine is designed for efficient, high-quality coffee preparation in a space-saving footprint. Featuring a durable stainless steel front panel, it combines aesthetic appeal with practical functionality. The inclusion of a dedicated steam wand allows for professional-style milk frothing, making it an ideal choice for crafting a variety of espresso-based beverages at home.
