Overview

Compact Ice Maker for Home or Office

This efficient and compact ice maker is designed to provide a steady supply of bullet-shaped ice for both home and office environments. Featuring a durable stainless steel housing and a convenient viewing window, it combines modern aesthetics with practical functionality. With simple one-touch operation and automatic cleaning capabilities, it is an ideal solution for keeping beverages chilled throughout the day.

Performance Metrics

Daily Ice Production

12 kg/24H
Capacity

Ice Bin Storage 0.8 kg

Water Tank Capacity 1.8 L

Technical Specifications

Power Requirements

Voltage	Power Consumption
110-120V	120W
220-240V	105W

Climate Class

SN • N • ST • T

Refrigeration System Compressor air cooling, R600a Refrigerant, C5H10 Blowing gas

Physical Dimensions

Product Dimensions	315 x 229 x 326 mm
Packing Dimensions	361 x 275 x 375 mm
Product Weight	7.99 kg

Features

Key Features

- Stainless steel housing
- Large viewing window
- One-press ON/OFF operation
- Automatic cleaning mode
- Indicator lights: Power, Full Ice, Add Water
