

Compact Off-Road Dirt Bike

This compact dirt bike is designed for off-road adventures. It features a durable frame, knobby tires for enhanced traction, and a responsive engine.

Product Overview

Built for Adventure

The ST90GY is a compact, high-performance dirt bike engineered specifically for off-road trails and recreational riding. Featuring a durable frame and a responsive engine, it combines lightweight construction with agile handling suitable for a variety of skill levels. Its robust suspension system and reliable disc brakes ensure safety and control, making it an excellent choice for navigating challenging terrain.
