

## Compact Personal Box Fan

This compact box fan is designed for personal cooling and ventilation. It features adjustable speed settings and a sturdy base for stable placement.

### Product Overview

#### Compact Personal Cooling Solution

This compact box fan is an efficient and portable solution designed for personal cooling and ventilation. Featuring a robust multi-blade impeller system enclosed within a protective grille, it ensures safe and consistent airflow. With adjustable speed settings controlled by an intuitive rotary switch, it is ideal for maintaining comfort in homes, offices, or dorm rooms.
