

Compact Personal Space Heater

This compact space heater is designed for personal use. It features a diamond-shaped design with a black grill and metallic bronze frame, providing localized warmth.

Product Overview

Compact Personal Heating Solution

This diamond-shaped personal space heater is designed for efficient, localized warmth in office or home environments. Featuring a robust metallic bronze-colored frame and a protective black grill, it combines aesthetic appeal with practical functionality. The unit is compact and portable, making it an ideal choice for desk-side heating and comfort.
