

Compact Portable Mini Washing Machine

This compact and portable washing machine is designed for small spaces and light laundry loads. It features a top-loading design with a transparent blue-tinted lid and durable white plastic housing with a blue base.

Product Overview

Compact Laundry Solution

The XPB55-158A is a compact and portable washing machine specifically engineered for small living environments, including apartments, dorms, and RVs. Designed for light laundry loads, it combines a durable white plastic housing with a modern blue-tinted transparent lid for easy cycle monitoring. This unit provides a space-saving solution without sacrificing the utility of a traditional top-loading washer.
