

# Compact Portable Spin Dryer

This compact spin dryer is designed for efficient laundry drying. It quickly removes excess water from clothes, reducing drying time and saving energy.

## Product Overview

### Efficient Drying Solution

The T60-18 Compact Portable Spin Dryer is designed for efficient laundry processing in space-constrained environments. With a 6.0kg capacity, this unit quickly extracts excess moisture, significantly reducing overall drying time and saving energy. Its robust design and user-friendly operation make it an ideal choice for small apartments, dormitories, and mobile living spaces.

## Technical Specifications

Spin Capacity	6 kg
Net Weight	8.3 kg
Gross Weight	9.5 kg

## Logistics and Dimensions

### Container Load Capacity (40H/40/20)

- 420
- 330
- 185

Packing Dimensions	41 x 43 x 83.5 cm
