

Compact Refrigerator for Small Spaces

This compact refrigerator is designed for small spaces. It features a minimalist design and efficient cooling technology, making it ideal for dorm rooms, offices, or as a supplementary refrigerator.

Product Overview

Compact Cooling Solution

This compact refrigerator is engineered specifically for space-constrained environments such as offices, dormitories, or hospitality suites. Featuring a sleek, minimalist design, it offers efficient cooling performance without compromising on style. Its compact footprint ensures seamless integration into any small-scale living or work space.

Technical Details

Model Identification	BC-50
Color/Finish	Starlight Silver

Key Features

Cooling Technology

High Efficiency • Energy Optimized

Recommended Applications	Office, Dormitory, Hospitality, Small Kitchen
