

# Compact Single Door Refrigerator

This compact refrigerator is designed for small spaces. It provides efficient cooling and storage for food and beverages.

## ADDITIONAL IMAGES

## Product Overview

### Compact Single Door Refrigerator

This compact single-door unit provides efficient storage solutions for smaller spaces without compromising on performance. Engineered with advanced anti-bacterial nanotechnology, it ensures food stays fresher for longer while maintaining low noise levels. The unit is designed for energy efficiency, effectively reducing operational costs while offering a stylish, customizable aesthetic to suit professional environments.

## Technical Specifications

Model Number	BD-180UR
Freezer Capacity	180 L
Voltage/Frequency	220V/50Hz, 110V/60Hz
Refrigerant Type	R600a, R134a

## Logistics

Packing Dimensions	570 x 570 x 1455 mm
40HQ Loading Capacity	148 PCS
Minimum Order Quantity	1*40HQ
