

Compact Table Saw with Adjustable Cutting Angle

This compact table saw is equipped with a 600W motor and operates at 230V~/50Hz and 2950min-1. It features an adjustable cutting angle from 0° to 45°.

Product Overview

Compact Performance for Precision Cutting

This compact table saw is engineered for efficiency and precision in small-scale woodworking projects. Featuring a robust 600W motor and an adjustable cutting angle from 0° to 45°, it offers versatile performance for various cutting tasks. Its compact design and lightweight build make it an ideal solution for workshops where space is at a premium.

Technical Specifications

Motor Power

600 W Motor Power	2950 min-1 No-load Speed
-----------------------------	------------------------------------

Electrical Requirements	230V~/50Hz
-------------------------	------------

Cutting Capabilities

Cutting Angles	0°, 45°, 90°
Max Cutting Depth	43 mm

Blade Details

Blade Specifications	∅200 x ∅16 x 2.5mm, 20 teeth
----------------------	------------------------------

Physical Dimensions

Dimensions & Weight

Feature	Value
Table Dimensions	500 x 335 mm
Overall Dimensions	530 x 355 x 325 mm
Net Weight	9.8 / 11.3 kg

Logistics

Container Loading Capacity

- 20' Container: 483 pieces
