

Compact Two-Slice Toaster

This compact two-slice toaster is designed for efficient and even toasting. It features adjustable browning settings, a removable crumb tray, and automatic shut-off for safety.

Product Overview

Compact Efficiency

The WT-101C is a compact two-slice toaster engineered for consistent and even toasting results in professional or modern home kitchens. Its robust construction ensures durability, while the sleek footprint makes it an ideal fit for limited counter spaces. Featuring adjustable browning levels and built-in safety mechanisms, it offers a reliable and user-friendly experience.
