

Compass Rose Stone Medallion

This stone medallion features a compass rose design with radiating triangular inlays. It is crafted with concentric rings of black, gold, and white marble, ideal for flooring or decorative applications.

Product Overview

Compass Rose Stone Medallion

This meticulously crafted stone medallion features a classic compass rose design, blending artistic elegance with premium durability. The central circular pattern utilizes a striking color palette of brown and blue-gray, framed by sophisticated concentric rings of black, gold, and white marble. Designed for high-end flooring and architectural decoration, it serves as a stunning focal point for luxury interiors.
