

Complete Front Bumper Assembly for VW Golf 6 GTI (2008-2012)

This complete front bumper assembly is designed for VW Golf 6 GTI models from 2008-2012. It includes the bumper cover, upper and lower grilles, fog lights, and lower lip spoiler, finished in a primer gray.

Product Overview

Premium Front Bumper Assembly

This complete front bumper assembly is specifically engineered for models produced between 2008 and 2012. Crafted from high-quality PP material, the component serves as a direct replacement for the original factory equipment, ensuring seamless fitment and restoration of vehicle aesthetics. The assembly includes all essential elements such as grilles, fog lights, and the lower lip spoiler, providing a comprehensive solution for automotive bodywork.
