Product Overview

High-Performance Bevel Adapter

This bevel adapter is engineered for construction machinery, focusing on wear resistance and stable performance in demanding environments. Designed with fine workmanship and high-strength materials, it ensures a secure and reliable connection for your heavy-duty equipment. It is compatible with multiple model variations to enhance overall operational efficiency and durability.

Compatibility

Compatible Models

LD700TL, LD700 RC, LD700-80

Technical Specifications

Material Characteristics

Wear-resistant • High-strength steel

Performance Features

- Stable product performance
- Fine workmanship
- Engineered for heavy loads
- Precise fitment

Identification

Visible Part Markings

- AII
- LD700TL
- LD700A
- A77
