

Cool Mist Humidifier with Aroma Diffuser

This cool mist humidifier adds moisture to the air, relieving dryness. It features an integrated aroma oil holder for infusing the air with essential oils.

Overview

Advanced Air Comfort Solution

This cool mist humidifier is designed to optimize indoor air quality, making it an ideal choice for bedrooms, offices, and living spaces. Featuring an integrated aroma oil holder, it allows for both humidity control and aromatherapy in one sleek device. With intelligent features like water scarcity protection and adjustable mist settings, it provides a reliable and user-friendly experience for maintaining a comfortable environment.

Technical Specifications
