

Copper Outdoor LED Wall Light with Bell Shade

This outdoor wall light features a copper-colored finish and a clear, bell-shaped shade. The shade houses an LED bulb, providing efficient and long-lasting illumination.

Product Overview

Timeless Design Meets Modern Efficiency

This Copper Outdoor LED Wall Light blends a classic aesthetic with the reliability of modern LED technology. Featuring a distinct bell-shaped shade and a durable copper-colored finish, it provides both functional illumination and decorative appeal for exterior building walls. It is engineered for long-lasting performance in outdoor environments.
