

# Corded Circular Saw for Woodworking

This corded circular saw is designed for cutting various materials with precision and efficiency. The shearing machine features a powerful motor, durable blade, and a stable base plate.

## Product Overview

### Professional Corded Circular Saw

This corded circular saw is engineered for precision and efficiency in woodworking applications. Featuring a robust motor housing and a durable base plate, it is designed to handle various cutting tasks with consistent performance. The ergonomic design includes a distinct handle for improved control during operation, making it a reliable tool for professional workshop environments.

## Technical Specifications

Power Source	Corded Electric
