

# Corded Electric Drill

This is a compact electric drill with a variable speed motor and adjustable chuck. It is designed for drilling holes in wood, metal, and plastic.

## Product Overview

### Professional Performance

This compact electric drill is engineered for consistent performance in demanding environments. Featuring a variable speed motor and an adjustable chuck, it offers the versatility needed for precise drilling tasks across wood, metal, and plastic. Its ergonomic design ensures user comfort during extended operation, while the durable construction guarantees reliability on the job site.

## Technical Specifications

### Key Features

- Variable speed motor
- Adjustable chuck
- Ergonomic handle design
- Durable construction

<b>Power Source</b>	Corded Electric
<b>Suitable Materials</b>	Wood, Metal, Plastic
