

# Corded Electric Drill

This corded electric drill features a variable speed trigger and a chuck for holding drill bits. It is suitable for drilling holes in wood, metal, and plastic.

## Overview

### High-Performance Corded Electric Drill

This corded electric drill combines professional-grade performance with ergonomic ease of use, making it an essential tool for various construction and DIY tasks. Designed to handle diverse materials including wood, masonry, and steel, it features a rubber-coated grip to ensure operator comfort during extended use. With multiple power and speed configurations available, this drill is engineered to meet the demanding needs of B2B applications.

## Technical Specifications

### Rated Power Options

- 500W
- 600W
- 750W
- 1200W
- 1400W

### No-Load Speed

**3300 r/min**

Max Speed

**750 r/min**

Min Speed

### Chuck Capacity

10mm (3/8"), 16mm (5/8")

## Certifications

### Safety Certifications

CE • GS • ETL

## Logistics

Minimum Order Quantity	500 pcs
Production Lead Time	35 days
Standard Packaging	Color Box + Carton
