

# Corded Electric Power Drill

This corded electric drill is designed for various drilling applications. It is suitable for use on wood, metal, and plastic materials and features a pistol-grip handle and variable speed trigger.

## Product Overview

### Professional Corded Electric Drill

This corded electric drill is engineered for versatility and precision across a variety of drilling applications. Featuring a robust motor and an ergonomic pistol-grip handle, it provides reliable performance for tasks involving wood, metal, and plastic. With variable speed control and a compact design, it is an essential tool for professional workshops and assembly environments.

## Technical Specifications

Power Input	350 W
Voltage/Frequency	220V-50Hz
No-Load Speed	2800 r/min
Chuck Capacity	10 mm

## Performance Metrics

## Features

### Key Features

- Variable speed trigger for precision control
- Reverse function for screw removal
- Ergonomic pistol-grip handle
- Hammer function for masonry drilling
- Depth stop for consistent drilling depth

### Compatible Materials

Wood, Metal, Plastic
