Product Overview

Professional Corded Performance

This corded electric drill is engineered for versatility and consistent power across a wide range of drilling and fastening applications. Designed with an ergonomic handle for operator comfort, it excels in tasks involving wood, metal, and plastic materials. The robust construction ensures long-term reliability for both intensive DIY projects and professional site work.

Technical Specifications

Power Source	Corded Electric
Chuck Mechanism	Keyless
Speed Control	Yes
Compatible Materials	Wood, Metal, Plastic

Design & Build

Color Scheme

Black • Silver • Orange

Key Design Features

- Ergonomic handle for comfort
- Durable housing construction
- Variable speed motor control
- Keyless chuck for rapid bit changes
