Overview

Professional Corded Impact Drill

This versatile corded impact drill is designed for high-performance drilling and fastening tasks. Featuring a robust 650W motor and a durable nylon casing, it offers excellent drop resistance and long-term reliability. The ergonomic design includes an adjustable auxiliary handle and a soft rubber grip, ensuring comfort and control during extended use.

Technical Specifications

Rated Power

650 W
Power

Performance

Metric	Value
Chuck Capacity	13 mm
No-load Speed	0-3000 r/min
Impact Rate	0-40000 hits/min

Electrical Requirements

220V-50Hz

Features

Usability Features

- Stepless speed change
- Forward and reverse rotation
- Self-locking switch
- Adjustable auxiliary side handle
- Depth ruler for accurate drilling
- Improved air duct design for heat dissipation

Primary Functions

Screw Tightening, Flat Drilling, Impact Drilling

Construction

Build Quality

High-strength nylon casing • Drop resistant • Metal key drill chuck • Laser engraved soft rubber handle
